Love

Valentine's Day is a holiday of showing our love and birds have shown love in many ways such as; nuzzling, feeding each other, courting dances, and grieving the loss of another bird.

Alpha Delta Kappa is full of love! We donate money to help others, visit sick sisters, present awards for achievements, and share our organization with new members. Soon, we will be celebrating our new State President and board. I urge all of you to attend your state convention to show your love and support. Registration information has been sent to your Chapter Presidents and is \$110.00 and is due March 20. It will be held at the Marriott Uptown off Louisiana in Albuquerque.

Regional Conference

July 13-16, 2020 is the NW/SW Regional Conference in Honolulu, Hawaii. It will be held at the Hilton Hawaiian Village. We will have a couple of presenters from New Mexico. Now is your chance to experience the Aloha spirit of our Hawaiian sisters!

Registration is still not available at this time.

Message from Co-President-Elect, Roxie Moore

For the past almost 2 years, Sandy Viga of Albuquerque and I have shared the office of state president-elect. We have taken turns at fulfilling the duties and responsibilities of this office, and have been preparing to similarly share the responsibilities of the office of state president. However, as the state convention approaches we have been very concerned about our inability to find anyone to fill the office of president-elect for the next biennium. This has worried both of us immensely. So, after consultations & discussions with others, here's what we've decided to do. Since the convention is already arranged for in Albuquerque, with the hotel (Marriott) chosen and most officers & committee chairmen lined up; Sandy lives in Albuquerque and her home chapter is there, so she will be state president for the 2020 - 2022 biennium. I will serve another term as president-elect. Then I will be president for the 2022-2024 biennium, and the state convention will be held in Ruidoso in 2022. We hope you will all get behind these changes, as we honestly could not think of any other way to handle it. A reminder: there will be several important by-laws amendments to be voted on at the upcoming convention. Every member of Alpha Delta Kappa who makes it to the convention is considered an official voting delegate. Please come and let your voice be heard.

President's Activities

I have made two trips to Flagstaff and Albuquerque to pick up donations for the Navajo Water Project. I attended an Epsilon meeting in Carlsbad to present on Conferences and Conventions and a Theta meeting. We had a state board meeting and was sad to report the folding of our Chi Chapter in Silver City. We are working hard on preparing for our State Convention and the welcoming our new board members. Remember, each chapter has a responsibility during the Convention.

I have sad news to report; Jean Buchanan from Epsilon Chapter passed away on February 8.

I hope our membership drive will bring many new members into our organization.

Please continue to pray for our Sisters across the country still dealing with flooding, tornadoes, wildfires in Australia and the major earthquakes in Puerto Rico.

Membership

We have many sisters, who will be recognized for their continued membership in Alpha Delta Kappa! Please come to the State Convention to celebrate these milestones!
